

he! he! this is alienegg's bio.

Hi! I am alienegg from planet eggeria my planet revolves around a bbig pan that has immense gravitational pull that all the planets fall into pan it's so hot taht all the planets turn into omletas soon as thay touch the pan, my planet eggeria also fell into yhe pan but I somehow managed to escape the calamity

and now I am onb this planet called earth where people sue monay to trade food. Since I am hungary

therefore I am in search of job sso that i can earn some money to fill my plate with plenty of satisfaction, I can cook eggs very well!
